

YUMBAH GREENLIP & TIGER ABALONE

Haliotis laevisgata

Haliotis laevisgata x Haliotis rubra

GLOBAL SUPPLIERS OF ALL-NATURAL PREMIUM GREENLIP AND TIGER ABALONE –
HORMONE AND ANTIBIOTIC FREE

Yumbah Abalone is known around the world for its exceptional eating qualities, making it highly sought-after for sashimi, steaming and light frying. Yumbah Abalone is hormone and antibiotic free with a sweet, subtle flavour, tender texture and pearl white meat. Our Suspended Animation Freezing™ (SAF) technology ensures the abalone retains maximum flavour and goodness.

ORIGIN	Southern Australia
CULTURING TECHNIQUE	Tanks and raceways
AVAILABILITY	Year round
SUSTAINABILITY	“BEST CHOICE” Monterey Bay Aquarium Seafood Watch List. Cultured using environmentally sustainable production facilities and practices. Primarily vegetable protein source used in feed. Yumbah abalone is certified hormone and antibiotic free.
CERTIFICATIONS	Export Registered, HACCP, SQF 2000, Australian Trusted Trader, Known Consignor
PROCESSING	All Yumbah abalone products are processed in ISO and/or AQIS (Australian Quarantine and Inspection Service) approved facilities, providing complete product safety and integrity.

The Yumbah Diamond Grading system is designed to reflect the consistent sashimi-quality of Yumbah Australian Greenlip Abalone.

Each diamond colour represents a different size (weight) of abalone but the sashimi-quality of the abalone is the same.

For example: Blue Diamond Grade abalone average 167g in size, therefore in a 1kg pack you will find 6 pieces, and in a 500g pack you will find 3 pieces.
